#### UI + DESIGN

Sketch App, Photoshop, Illustrator, Wireframing, UI Design, Logo Design

### + ABOUT ME

I'm a front-end developer and designer who loves designing, animating, and coding awesome things for the web, and at my core, I'm a learner. Whenever I see something cool or engaging I immediately need to know how it's done so that I can incorporate it into my own work, and that's led to me learning a little bit about a lot of different things.

### + EXPERIENCE

#### Front-end Developer

##### Launch That

April 2017 - Present

- + Designed and developed modern-looking, high-converting landing pages, ads, and calls to action for in-house and client websites with HTML, Twig, ACF, Sass, Javascript, and jQuery
- + Collaborated with writers, marketers, and other developers to produce new components and templates focused on improving the user experience and increasing conversions

#### Web Designer

##### NetSource Technologies

November 2012 - March 2017

- + Collaborated with sales team, programmers, and clients through all steps of the website creation process from UI/UX to website launch.
- + Advised clients on identity and strategy; worked to understand client end goals and needs while also being an advocate for the end user.
- + Established and maintained rapport with clients and team members.

#### Production Intern

##### WCIB TV-20

March 2009 - April 2009

- + Edited video footage for use in television commercials, designed and animated motion graphics for advertisements / commercials
- + Worked with supervisors and clients to produce appealing advertisements

### + EDUCATION

#### Savannah College of Art and Design (SCAD)

##### BFA - Animation

Graduated June 2012

#### Santa Fe College

##### Certification - Digital Media Production

Graduated May 2009
