### + ABOUT ME

Hey, I'm Jeremy! I'm a front-end developer and designer who loves solving problems and building awesome things for the web, and at my core, I'm a learner. Whenever I see something cool or engaging I immediately need to know how it's done so that I can incorporate it into my own work, and that's led to me learning a little bit about a lot of different things.

### + EXPERIENCE

#### Senior Front-end Developer

##### Launch That

April 2017 - Present

- + Designed and built interactive tools with React, Javascript (ES5/ES6), PHP, Twig, ACF, HTML, and SASS.
- + Led development of new websites and high-converting landing pages, ads, and calls to action with a focus on performance and accessibility.
- + Collaborated with writers, marketers, and other developers to produce new tools, components, and templates focused on improving the user experience and increasing conversions

#### Web Designer

##### NetSource Technologies

November 2012 - March 2017

- + Collaborated with sales team, programmers, and clients through all steps of the website creation process from UI/UX to website launch.
- + Advised clients on identity and strategy; worked to understand client end goals and needs while also being an advocate for the end user.
- + Established and maintained rapport with clients and team members.

#### Production Intern

##### WCIB TV-20

March 2009 - April 2009

- + Edited video footage for use in television commercials, designed and animated motion graphics for advertisements / commercials
- + Worked with supervisors and clients to produce appealing advertisements

### + EDUCATION

#### Savannah College of Art and Design (SCAD)

##### BFA - Animation

Graduated June 2012

#### Santa Fe College

##### Certification - Digital Media Production

Graduated May 2009
